

You Can Save My Soul (Words and music Kurt E Hoffman © 2011)

Well I'm traveling around on a super jet.

The plane's been grounded its uncertain yet.

I'm hanging now here on a business call.

I'm missing my home haven't been there at all.

And it's coming around again; well I think that you can save my soul.

And it's coming around again; well I think that you can save my soul.

Well I'm planning some time for to see my kids,

In between while attempting to secure these bids.

There's hardly anytime just to get some rest,

But I still just try to do my awful best.

And it's coming around again; well I think that you can save my soul.

And it's coming around again; well I think that you can save my soul.

Save my soul, save my soul, oh, oh, oh.....
