

Conch Shell *(Music & Lyrics: Kurt E Hoffman Copyright 2008)*

*When I was walking down the beach one day, I
came upon a quite unusual display
I found a conch shell, and I blew through it
It made a queer sound kind of sort of like this: ooh,
ooh ooh.....*

*When I was blowin' through it, I was thinking just of
you,
And just now I'm a realizin', Baby I was tryin' to irritate
you,.*

*Here now in my mind with this new conch shell,
I'm sensing all the feelings of my past,
And my future's here but I can't stand still,
But I'm thankful for the experience of the new Conch
Shell, ooh, ooh, ooh,...*

*Oh yeah, I like my new conch shell, Oh yeah I like my
new conch shell
Oh yeah, I like to irritate you!*
