

Internet or Real Life (Words & Music Kurt E Hoffman ©2014)

There are times I often wondered why, why do we keep bringing it up?
Everybody is doing it now if you're not already hooked up.
I was afraid that my Mom and Dad might kind of be upset with me.

Did we meet on the internet? Did we meet in real life?
I thought we met at Karaoke, so aint that in real life?
Did we meet on the internet? Did we meet in real life?
I thought we met at Karaoke, so aint that in real life?

Why can't you just find a love? One who just goes to your church?
Well that can seem a bit tricky especially if you don't go to church!
You could meet a lot of nice folks, if you just go hit the bar.
Well that scene aint always so cool, with a DUI you can't drive your car!

Everybody is doing it now if you're not already hooked up.
I was afraid that my Mom and Dad might kind of be upset with me.
But there is a lady who goes to our church, you'd like her Curt, she seems so cheery
